My life has been
a tapestry
of rich
and royal hue
An everlasting
vision of the
everchanging view
A wondrous
woven magic
in bits
of blue and gold
A tapestry
to feel and see
impossible
to hold.

This is not primarily the place where we have to be. It is the place where we are.

This is not our prison but our home. It is the road we must walk and the walking of it is called life.

Because we will walk it only once, then how important it is that we should walk it with some purpose that we call our own.

Hours: 9:00 A.M. - 1:00 A.M.

Fri. - Sat. 9:00 A.M. - 2:00 A.M.

we have met,
strangers among strangers
searching for meaning
through people and experiences

loneliness had been our companion
like a suitcase of past adventures
carried with us
providing some security.

our adventure provided warmth,
an added dimension to our lives.
we gave to each other
even though it wasn't expected.

between passing days
and fleeting romances
our friendship has grown,
never defined by words.

because of the way you are
i have wanted to give you a gift.
perfume would have been nice
but its fragrance is always fleeting.

flowers would have added warmth
for moments, but nothing tangible
can last forever.

nothing i had to give
would represent my
true feelings for you.

finally one day, clustered
among the colorful aspens
and the sounds of a rushing brook,
i discovered my gift for you.

all that i can give you is time
time to grow
to share
to love
as only you can do.

my demands of you are simple.
blossom, my friend, into the
beautiful flower i see inside.

share your warmth as you love.
spread your happiness as you give,
and remember me as i pass
through your mind
like gentle waves on the drifting sand.
